# SHOPPING IS FUN WITH...

## KIDS GO SHOPPING

is an in-school gift shop where children can buy their own gifts for family and friends, run by your volunteers in cooperation with school staff. We provide the well organized program and great gift selection to make it fun and satisfying for everyone.

## Our Gifts Make The Difference...

We offer a selection of over 100 family oriented, high quality gifts, including many popular licensed brands...making it easy for students to find that perfect gift for every member of their family. All our gifts are "kid-priced" ...with most under \$4.00. We also include free gift bags to make sure wrapping is simple and fun!

### No Risk To Your School

We provide everything you need with no extra fees and no freight charges. You pay only for the gifts you sell...after your shop is over.

### Personalized Service

Our friendly, experienced staff is always just a toll free call away...ready to answer any questions you have.

### Customized Gift Selection

We work with every school, individually, to make sure that your gift selection is perfect for your school.

Photographs do not include every gift in our product line.

# LET'S GO SHOPPING WITH...

## How It Works:

(Complete details in the How-To Manual)

1. **CHOOSE** the dates for your shop, then call us to sign up and reserve those dates. (Most run Tuesday – Thursday.)
2. **USE** our How-To Manual to recruit your volunteers and plan your shop. Coordinate with school administrators.
3. **PROMOTE** your shop with our posters and take-home flyers. See more promotion ideas in our Manual.
4. **SEND HOME** Budget Envelopes a few days before the shop so parents can help their children plan a gift list and budget.
5. **WE DELIVER** your big customized gift selection, packed by category (eg. 'Mom' gifts) for easy set up.
6. **SET UP** your Kids Go Shopping gift selection in your planned area, such as a cafeteria, gym, or spare room.
7. **CHILDREN** bring their Budget Envelopes and money to school and shop in small groups, assisted by your volunteers. They take their gifts home same day.
8. **COUNT** and pack up any unsold gifts and we arrange to pick them up.
9. **PAY** after your shop is over, only for gifts not returned.
